

NT TERRITORY CHAMPIONSHIPS

BMX

SATELLITE CITY BMX | 2022

Welcome to the 2022 H6 NT BMX Championship.

A big thank you goes out to the volunteers that make BMX the great sport that it is. Everybody including the canteen team, Officials, track and facility workers, committee members, first aid crews, coaches, administrators, sponsors, supporters and all those that contribute.

Welcome to our interstate competitors. Welcome also to the spectators.

BMX racing is an extreme sport. Accidents have been known to occur and sometimes result in an injury.

All riders entering the race track are required to have their bicycles & personal safety equipment maintained & worn to the standards outlined in the current AusCycling Technical Regulations. Please ensure your rider's equipment is in good condition & fitted correctly.

During practice sessions riders are to complete full laps. Riders will be asked not to stop on the track.

Parents, please note that if your child or loved one has a fall, do not enter the track area. There are dedicated first aid providers in attendance. You will be asked to enter the track area if necessary.

Please respect people's health & NT smoking legislation. Smoke only in designated areas.

AusCycling Code of Conduct

1. Purpose

The purpose of the AusCycling Code of Conduct (Code) is to describe the culture and type of behaviour which AusCycling seeks to promote and encourage for everyone involved in cycling in Australia.

2. Governance

The code shall be known the AusCycling Code of Conduct. It will be reviewed every two years by the Ethics and Integrity Committee. Recommended amendments must be approved by the Board before coming into effect.

3. Scope

The Code governs the conduct of all people formally associated with all disciplines of cycling in Australia. In particular, it applies to:

- 3.1. Board members, Board Committee members and Commission members
- 3.2. Employees and contractors of AusCycling.
- 3.3. Athletes in the Australian Cycling Team and Podium Potential Academy.
- 3.4. People participating in AusCycling sanctioned events or activities
- 3.5. Officials, Commissaires and volunteers assisting with or conducting AusCycling events.
- 3.6. Members of AusCycling

4. Key Principles

AusCycling wishes to operate in an environment:

- 4.1. Where racing and competition is genuine, and where the outcome is not affected by doping, race-fixing, illegal betting or other forms of cheating.
- 4.2. Where people show respect for others and their property to ensure no damage or deprivation is caused to either. Respect is defined as consideration for another's physical and emotional well-being and possessions.
- 4.3. That is free from harassment. Harassment is defined as any action directed at an individual or group that creates a hostile, intimidating or offensive environment.
- 4.4. Which is a non-discriminatory environment, and which respects the right, dignity and worth of every human being, and (within the context of the activity), treats everyone equally regardless of gender, ethnic origin or religion.

Persons to whom this Code applies acknowledge and agree to comply with the disciplinary and grievance procedures maintained by AusCycling. If any disciplinary action is taken, a person directly affected will be given the opportunity to participate in those proceedings and the right to appeal against any decision against him or her.

5. Key Elements

All people who are bound by this code shall:

- 5.1. Act in a manner that is compatible with the interests of AusCycling.
- 5.2. Compete without cheating.
- 5.3. Accord people involved in all forms of cycling with the appropriate courtesy, respect and regard for their rights and obligations.
- 5.4. Treat people's property with respect and due consideration of its value.
- 5.5. Show a positive commitment to AusCycling's policies, rules, procedures, guidelines and agreements.
- 5.6. Respect the law and customs of the places they visit.
- 5.7. Respect the confidentiality of information that they receive in the course of fulfilling their duties.
- 5.8. Not misuse funds or property belonging to another party.
- 5.9. Uphold the standing and reputation of all forms of cycling within Australia.
- 5.10. Observe and comply with the Anti-Doping Rules set out in the AusCycling Anti-Doping Policy

6. Unacceptable Behaviour

This list provides examples of behaviour deemed to be unsuitable and not in the best interests of the cycling. This is not an exhaustive list.

- 6.1. Gambling, betting or organisation of betting at any cycling event, while competing, officiating or undertaking a management role.
- 6.2. Sledging' other athletes, officials or event organisers. Sledging is defined as a statement that is deemed to denigrate and/or intimidate another person, or behaviour likely to constitute emotional abuse.
- 6.3. Using or encouraging the use of prohibited substances or methods as defined in AusCycling's Anti-Doping Policy.
- 6.4. Any form of harassment.
- 6.5. Damaging another person's property or depriving them of that property.
- 6.6. Sexual relations between an employee or appointed official and a junior athlete (under the age of consent), irrespective of the wishes and desires of the athlete.
- 6.7. Physical contact with athletes unless it is appropriate to the situation and be necessary for the further development of the athlete's skill.
- 6.8. Statements that are deemed to denigrate the group that an individual is representing.

7. Officials Specific Code of Conduct Elements

The duty of an official carries with it an obligation to perform those duties with accuracy, consistency, objectivity and a high sense of integrity. To preserve and encourage confidence in the professionalism and integrity of officiating, all officials are expected to act in an ethical manner.

In addition to the areas outlined in the AusCycling Code of Conduct officials will observe and adhere to the following specific requirements:

- 7.1. Operate within the rules and spirit of your sport, promoting fair play over winning at all cost.
- 7.2. Place safety and welfare of the participants above all else
- 7.3. Act with integrity and objectivity and accept responsibility for their actions
- 7.4. Be consistent and impartial when making decisions
- 7.5. Avoid any conflict of interest
- 7.6. Adopt responsible behaviour in relation to alcohol and other drugs
- 7.7. Be courteous, respectful and open to discussion and interaction
- 7.8. Respect the decisions of fellow officials, coaches and administrations in the conduct of the sport
- 7.9. Act impartially and do not permit gender, ability, cultural background or religion to impact your decisions and interactions
- 7.10. Encourage inclusivity and access for all potential participants
- 7.11. Be a positive role model in behaviour and personal appearance
- 7.12. Ensure your decisions and actions contribute to a safe environment
- 7.13. Ensure your decisions and actions contribute to a harassment free environment.
- 7.14. Wherever practical, avoid unaccompanied and unobserved one-on-one activity (when in a supervisory capacity or where a power imbalance will exist) with people under the age of 18 years.
- 7.15. Show concern and caution towards sick and injured participants.

We endorse the AusCycling Member Protection Policy.

BMX Racing transfer rules

How does the rider transfer system work?

Transfers and scoring rules as per ACTRB 2.03.02a and 2.03.03a. Class sizes & qualifiers 2.03.04. In the case of a tie rule 2.03.05 applies. Olympic lane draw for finals as per 2.03.06. Race scoring points 1st= 1, 2nd= 2, 3rd= 3, 4th= 4, 5th= 5, 6th= 6, 7th= 7, 8th= 8, DNF last place in the moto, DNS last place in the moto + 2 points, REL last place in the moto + 2 points. These rules define how riders will move from the motos to the finals based on the number of riders in their class as per transfer table below.

8 rider gate			
No of riders	Semi	Quarters	Eighths
Less than 17	-	-	-
17 - 19	Two 6 rider	-	-
20 - 32	Two 8 rider	-	-
33 - 40	Two 8 rider	Four 5 rider	-

8 Or less riders in a class: In classes with 8 or less riders their final results will be determined by the amount of points they have accumulated in each of their motos and the extra moto. If riders finish on equal points then which ever rider finished with the better position in the last moto will get the higher result. (tie breaker)

9 to 16 riders in a class: The top 8 riders on accumulated moto points will progress to the deadman main final. Others will qualify for the consolation final.

17-19 riders in a class: There will be two semi finals with 6 riders each. This will be a deadman semi final. The riders ranked from 9th-16th after the semi final will qualify for the consolation final.

20-32 riders in a class: There will be two semi finals with 8 riders each. The riders ranked from 9th-16th after the semi final will qualify for the consolation final.

What is a deadman main final

The moto points are to qualify for the next stage (finals). In the semi or quarter finals the first 4 riders across the finish line progress to the next final. In the main final whatever position the rider crosses the finish line is the result they get.

Consolation final

This year we are running a consolation final. This will affect classes with 9 riders or more. Rider's that finish outside of the top 8 in positions (9th-16th) after the motos or semi finals will qualify for the consolation final.

Olympic lane draw

The deadman finals are Olympic lane draw for classes with more than 8 riders in a class. That means that the riders that qualify for the next stage of racing (finals) get to choose their starting lane based on their lap time in the previous race. The rider with the lowest lap time will have first choice.

Listen to the commentator. Check the live results on www.our.sqorz.com.au on your mobile device to see who has qualified for the next stage. Go to Australia, go to AusCycling NT, go to the event, go to Schedule at the bottom of the webpage.

Opening Ceremony

RIDERS' OATH

In the name of all competitors, we promise that we shall take part in these Northern Territory BMX Championship, respecting and abiding by the rules which govern them, in the true spirit of sportsmanship, for the glory of the sport of BMX and the honour of our clubs and BMX In The Northern Territory.

OFFICIALS' OATH

In the name of all officials, we promise that we shall officiate and adjudicate this Northern Territory BMX Championship by respecting and upholding the rules which govern them, in the best interest of fair play and sportsmanship for the glory of the sport of BMX and the honour of our clubs.

National anthem Advance Australia Fair

Australians all let us rejoice,
For we are one and free;
We've golden soil and wealth for toil;
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing,
Advance Australia Fair.

Key Event Officials

Team Managers & Riders Advocates

If you have questions or an issue please discuss it first with your Team Manager or Riders Advocate.

They will bring it to the attention of the event Officials. If the issue is related to racing, the Chief Commissar will determine the correct outcome.

The list of Officials & Team Managers will be located on the notice board near the Registration building.

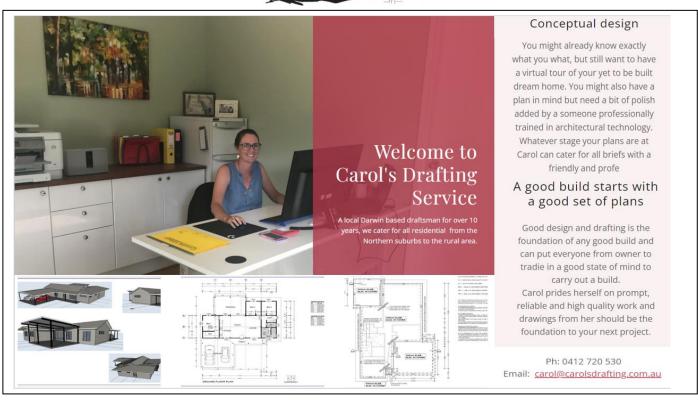

2023 NT BMX Championship will be hosted by Nhulunbuy.

Dates will be released soon.

2022 NATIONAL & INTERNATIONAL SUCCESS

Congratulations to the NT athletes on their performance at the 2021 National BMX Championship at Nerang OLD and Oceania Championship at Sleeman QLD. The level of competition at these events is getting stronger each year. Australian riders are raising the bar. This is evident in the fact that Australia is one of the top ranked BMX nations in the UCI BMX rankings. NT riders are part of the progression.

The riders below tasted success. We also had many other riders that made the semi-finals and narrowly missed making their main final. Add to that the NT riders that are currently standing tall in the 2022 AusCycling National Cup which will be decided at the National Championship in Launceston TAS.

Awesome effort.

With the continued development of committees, tracks & facilities the future is bright for NT athletes.

Thank you also to all the people that have spent many hours volunteering their time to help make this event a success.

Step one - let's have a coffee

You've got a problem. You know that there's technology that will make your life easier, but you're just not quite sure how to find exactly what you need or how to put in place. It might be a daunting thought, uprooting your current systems but you know that without ripping the bandaid off you'll be stuck in this rut forever.

So, you've found us: someone who can create the exact software or digital solution that can be customised for how you work and help move you forward.

The first step is for us to sit down together and work out what needs fixing - what's the pain point that's holding you back. You'll be meeting with our Product Owner and the Senior Business Analyst. This step helps both us and you figure out if there's a feasible solution that we can implement, it's also a bit like our first date - working out if this is a partnership that's going to work. No one wants to be mates with someone who doesn't align with their values or who they don't feel as if they are treated as an equal. We're going to be working together for some time, so we want to get along.
